**SNSFE is Pleased to Announce That**  
**James J. Eccleston**  
**Is Named an Illinois *Super Lawyer* for 2009**

James Eccleston has been named an Illinois *Super Lawyer* for five years, since its inception in Illinois in 2005. Only five percent of the attorneys in Illinois are chosen each year. Selection for inclusion is based on a statewide peer nomination evaluation process, a blue ribbon panel review and independent research of the candidates.

Jim leads SNSFE's nationally active securities group representing both investors and financial services professionals:

For investors, he arbitrates and litigates complaints against the financial services industry to recover investment losses.

For financial services professionals, he provides counsel and representation in regulatory and disciplinary matters, as well as employment matters, including helping them transition from firm to firm and succession plan.
